All patio reservations are WEATHER PERMITTING only. In the event of severe weather, we are forced to close the patio and reschedule your reservation. There are no cancellation penalties due to weather related cancellations.

The menu for the event must be finalized at least 7 business days prior to the event date. If a buffet-style menu is not selected, there will be a limited menu available for parties of 20 or more.

Outside cakes and cupcakes are allowed. All other outside food & beverage is not allowed. Confetti, glitter, and other decorations hard to clean up are not allowed.

All event & large party spaces are booked in 2.5 hour time frames. Food & beverage minimums must be met within that time frame.
